A short list notice shall be published in at least one publication of wide circulation to ensure effective competition.

The short-listing document is divided into:

- Part I: General Part
- Part II: Instructions to Bidders
- Part III: Preparation of Applications
- Part IV: Submission of Applications
- Part V: Opening and Evaluation of Applications
- Part VI: Short listing

- B: Statement of Requirements
- C: Evaluation Criteria

PART I: GENERAL PART

1.1 Scope of Application

1.1.1 The Ministry of Health and Human Services invites applications for the short list of works, services and supplies described in **Appendix B**.

1.1.2 Throughout this document:

(a) the “Applicant” means the bidder submitting an application; and

(b) “Application” means a bid or submission to be short-listed.

as defined in the Public Procurement, Concessions and Disposal Act and Regulations, of the Federal Government of Somalia.

1.2 Source of Funds

1.2.1 The Procuring and Disposing Entity has an approved budget from Government funds towards the cost of the procurements described in **Appendix B**. The Procuring and Disposing Entity intends to use these funds for payments under the contract(s) resulting from the bidding for which this short list is conducted.

1.3 Corrupt Practices

1.3.1 It is the Federal Government of Somalia’s policy to require that Procuring and Disposing Entities, as well as Applicants, Providers and Providers, observe the highest standards of ethics during procurement and the execution of contracts.

(a) defines, for the purposes of this provision, the terms set forth below as follows:

(i) “Corrupt practice” includes the offering, giving, receiving, or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution; and

(ii) “Fraudulent practice” includes a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Procuring and Disposing Entity, and includes collusive practices among Providers prior to or after bid submission designed to establish bid prices at artificial, non-competitive levels and to deprive the Procuring and Disposing Entity of the benefits of free and open competition;

(b) will reject a recommendation for award if it determines that the Bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the Contract; and

(c) will suspend a Provider from engaging in any public procurement proceeding for a stated period of time, if it at any time determines that the Provider has engaged in corrupt or fraudulent practices in competing for, or in executing, a government contract.

1.3.2 In pursuit of the policy, the Federal Government of Somalia requires representatives of both the Procuring and Disposing Entity and of Providers to adhere to the relevant codes of ethical conduct. The Code of Ethical Conduct for Providers is available from the Authority and Providers are required to indicate their acceptance of this code through the declarations in the **Application Submission Sheet**.
